COMPANY >> INTRODUCTION

RUI QI FURNITURE CO., LTD. (OUTIME) is a professional manufacturer that is located in one of the most famous furniture capitals, Zhejiang, China. Our company specializes in manufacturing various types of outdoor furniture made with PE rattan, plastic wood, aluminum, and steel.

Our factories occupy an area of more than 20,000 square meter and employ over 500 skilled workers. We export our products to many foreign countries, namely the United States and the European countries. The company has its very own Research & Development department. Not only that our company is an Original Equipment Manufacturer (OEM), but also a creative Original Design Manufacturer (ODM). We customize our products to meet our customers' standards and requirements from concept to design as well as from mould setup to actual production. Our goal is to develop, to manufacture, and to sell innovative products that have high quality at a very favourable price. We aim to provide our best services to customers. We look forward to building long-term and steady business relations with our customers. We appreciate your business!
